INSPIRE DANCE STUDIO CLASSES

FOX WEST YMCA DANCE

FWY - Megan Stine, Dance Coordinator P 560.3410 E mstine@ymcafoxcities.org

Inspire Dance Studio is a recital program which begins each September and runs until April, ending the season with a professional recital for all dancers. Each IDS instructor has extensive dance training and multiple years of teaching experience, as well as maintaining a continuing dance education. IDS offers progressive dance training, where dancers can grow their experience and knowledge each year.

Registration: Registration will begin Monday, July 24th at the Fox West Y front desk or online at www.ymcafoxcities.org. Classes begin the week of **Sept. 11, 2023**. More information regarding dress code, student calendar, shoe requirements and more will be emailed to you after registration.

Class Tuition: Tuition fees can be paid in full at the time of registration or bank drafted into 8 monthly payments.

Recital Costume: \$70 non-refundable costume fee must be paid at the time of registration for each class. This costume will be worn for our spring recital (not for class each week). Parents will receive recital information in February with more details regarding the performance.

Class placement: Inspire Dance Studio program offers ages next to classes as a *guide* in our progressive dance levels. However, some students may fall outside the ages listed. If you have questions or need guidance on levels, please contact Megan Stine at Mstine@ymcafoxcities.org.

Our ballet program is a progressive dance program which builds proper technique, muscle memory, balance, and coordination. Each level is designed for a dancer to develop in 2-4 years. Each dancer will progress to the next level at teachers' discretion. Each level will wear a specific leotard color to help instructor see and correct alignment. See class description for leotard color requirement. Level placements are given in their student assessments at the end of each recital year. If a student is enrolled at a level not appropriate for their skill level, IDS has the right to move that student to the correct class placement.
