Adaptive & Inclusive Programming at the Y is a partnership with families and individuals. The focus is to provide individuals, with unique abilities, access to programs and activities in a safe, fun atmosphere that encourages self-sufficiency, socialization and staying active.

The Y provides a chance to experience the joys and benefits that come from successful immersion into a program where they can learn, thrive, and grow. It is our priority to ensure all members have access to our facilities, programs, and services.

FAMILY TIME

Our family nights are all about having fun. We welcome all individuals with unique abilities and their families for a FREE evening of games, activities, crafts, and fun. It's the perfect opportunity to strengthen your relationship and meet other families. Please watch our social media page for any scheduled family nights and for more information.
