CUT & COLLAGE (AGES 6-10) (NMY)

Get out your Scissors & Glue! Oh, and your pencil, ruler, and glue sticks! A COLLAGE is a picture or design created by gluing almost anything to a flat surface. This can be paper scraps, newspaper, strings, cloth, magazine clippings, candy wrappers, playing cards, and post cards...ALMOST ANYTHING! We'll be making unusual portraits (don't be offended, mom and dad, if they choose you as their subject-these are supposed to be abstract) and your choice of a landscape, seascape or cityscape.

LET'S DRAW: THE SKETCHBOOK (AGES 6-12) (APY)

Can you fill an entire sketchbook in a summer? In this class we will take basic drawing skills and apply them to creative prompts, sketching outdoors (weather permitting), doodles, and even creating some mixed media creations to document our summer! Sketchbook included!

LET'S PAINT: ABSTRACT ART (AGES 6-12) (APY)

Instead of creating realistic artwork, we will use shapes, colors, textures, and form to find ways to creatively express ourselves.

MAGNIFICENT MOSAICS (AGES 6-10 YEARS) (NMY)

Do you like to draw or paint? If so, you might want to try something new and make a mosaic. A mosaic is a form of art where a surface is covered by small pieces of objects called tesserae, such as stones or tiles, pieces of glass; all fitting together tightly. When these pieces are carefully placed using color and size, they CAN create AWESOME designs or even pictures!

MODERN ART GONE MAD (AGES 8-13 YEARS) (NMY)

In this class, we will be using the Modern Masters as our springboard for creativity! We will examine their key works by looking at them in the context they were created and discuss our impressions of them. After examining our thoughts through guidance, we will create our own interpretations.
