## Sports & Specialty Camps Neenah-Menasha YMCA

Spend time this summer trying something new! We offer a variety of Sports & Specialty Camps sure to peek your child's interest. Let them explore something different, discover a unique hobby or just stay active all summer long. Not only does your child get to have fun in the camp of their choice, but they also have the opportunity to enjoy traditional day camp activities as well. We guarantee you, summer won't be boring!

**Register your child for one of our Sports & Specialty Camps Today!**

## SPORTS & SPECIALTY CAMP DESCRIPTIONS

### June 7-11 Basketball

Campers will travel to the Neenah Menasha YMCA to work with our Sports and Recreation staff on the fundamentals of basketball. They will learn skills, participate in activities and games, as well as compete in a fun, friendly and safe environment.

### June 14-18 Volleyball

Campers will travel to the Neenah Menasha YMCA to work with our Sports and Recreation staff on the fundamentals of volleyball. They will learn skills, participate in activities and games, as well as compete in a fun, friendly and safe environment.

### June 14-18 Nature

Campers will participate in everything Nature! A trip to High Cliff for hiking, a nature center field trip and an educational lesson with the Nature Specialists at Apple Creek YMCA will highlight this week!

### June 21-25 Football

Campers will work with our Sports and Recreation staff at Camp T on the fundamentals of football. They will learn skills, participate in non-contact activities and games, as well as compete in a fun, friendly and safe environment.

### June 21-25 Outdoor Adventures Camp (10-12 year olds only)

Adventure camp focuses on fun activities for our oldest campers. Activities will include a ropes course, rock climbing wall and other adventures!

### June 28-July 2 Golf

Campers will practice the three main skills in golf: chipping, putting and driving. Activities will include a mini golf outing, trip to a driving range, and skill-driven activities at Camp T to work on these three skills. Campers will need to provide their own golf clubs for this camp.

### June 28-July 2 Young Chefs

Campers will walk to Faith United Methodist Church and use their kitchen to learn and practice the art of cooking. Each day will focus on a different aspect of dining: breakfast, lunch/dinner, appetizers and desserts.

### July 5-9 Fishing

Campers will get to fish at locations in the Neenah-Menasha area. Campers will get to work with the NJSD Fishing FINatic's club (High School and Middle School kids) and learn how to fish safely. Fishing poles will be provided for this camp, but campers are welcome to bring their own.

### July 12-16 Art

Campers will travel to the Neenah Menasha YMCA to work with our Fine Arts department to create fun projects like pottery, paintings and much more!

### July 12-16 Variety Sports

This camp will focus on more unique sports or activities such as bowling, frisbee golf, bocce ball and more! Come explore these less traditional sports in a fun way!

### July 19-23 Harry Potter

Enjoy the phenomenon of Harry Potter through various activities at Camp T! Create and play with your own wand and participate in Harry Potter trivia and other games. We will end the week watching one of the many Harry Potter movies!

### July 19-23 Book Club

Campers will write and illustrate their own story as well as spend time reading their favorite books! Campers will also learn more about the Neenah library through a visit to check out books.

### August 2-6 Tennis

Campers will learn all about this sport from experienced staff at the Y. Campers and staff will travel to local tennis courts to learn and practice their skills. A limited amount of tennis rackets will be available for use. If your child has their own tennis racket, they are encouraged to bring it along to camp.

### August 2-6 STEM

Love the world of science, technology, engineering and math? Join us for this fun week of STEM experiences with the 4H club, through robotics kits that campers will build and utilize together, experiments and more!

### August 9-13 Awesome Animals

Each day with this camp is filled with fun animal experiences. Campers will travel to several locations to experience animals in zoos, at farms and local shelters.

### August 9-13 Soccer

Campers will work with our Sports and Recreation staff at Camp T on the fundamentals of soccer. They will learn skills, participate in activities and games, as well as compete in a fun, friendly and safe environment.

### August 16-20 Aquatics

Campers will travel to the Neenah Menasha YMCA to work with our Aquatics department for fun and games in the pool and will get to utilize the water slide as well!

### August 16-20 LEGO

Campers will get to work with UW-Oshkosh 4-H Program as they explore STEM by working with Lego Robotics. Campers will complete different projects by working together and following instructions to get tasks done. Campers will also have time to explore the LEGO robotics on their own to come up with and build their own creations!

### August 23-27 Dance

Campers will work with our Nationally Award-Winning Studio Y Dance Staff at the Neenah Menasha YMCA. They will learn choreography and skills in the Hip Hop and Musical Theatre genres.
