**SOP Purpose:** The purpose of this SOP is to define the membership/program discounts available for employees.

**Applicability:** All Staff.

**Policy:** Employee discounts are provided to staff members as a benefit of their employment and are listed on the [Employee Discount Schedule](#).

- Only one discount will be honored (employee discount, YMCA financial assistance, or corporate).
- When employment ends, program discounts:
  - For sessions paid in full upon registration will be honored.
  - For programs billed on a daily, weekly or monthly schedule will terminate the following billing cycle.
- Discounts or refunds for discounts are NOT given when registering online except for School Age School Year and Summer Day Camp programs housed in our Child Care module where online registration is the only option for registering.
- Play and Learn care over 5 hours per day is considered full-time care per our policy and licensing regulations.
- Personal Training, Private Instruction and Adult Overnight Trips are excluded from employee discounts.
- HR will monitor employee status on a monthly basis and contact the supervisor regarding any employee who does not meet the requirements of their current status.
