TEEN PROGRAM

YOUTH IN GOVERNMENT (GRADES 7-12) (APY)

Now is the time to make your voice be heard! Wouldn't it be great if you could make or change the rules regarding the government? The Youth in Government (YIG) program takes a hands-on approach involving students in the legislative, executive, and judicial branches of government. This includes media which gives students experience in sharing political news in a variety of social-media outlets. YIG encourages life-long responsible citizenship through the study of public issues, debate on public policy, writing legislation, debating court cases, reporting on political news. If you enjoy debating, writing or want to learn more about how bills become laws, then Youth in Government is the place for you! For the 2021-2022 Youth in Government session, we will return to in person meetings, any delegates not vaccinated will be required to wear a mask while in the building.

Contact Jolene Gross at 920-882-3680 or jgross@ymcafoxcities.org for more information.
