## NEW ONLINE REGISTRATION PROCEDURES

ALL REGISTRATION IS ONLINE and available on a first-come, first-served basis. Registration will take place in two phases this year. **The first option** will be for full-time, 5 days a week care, for Day Camps, Summer School Age programs, Teen Camp and Adventure Camps. All Specialty Camps will also register during this phase. **The second option** will be for those who are only interested in part time care, or a couple days a week. Please be aware some camps may fill during full-time, 5 days a week, registration.

### Option 1: Full-Time 5 Days a Week and Specialty Camp

Member Registration begins on Monday, January 9, 2023 at 6:00 AM  
General Public Registration begins on Monday, January 23, 2023 at 6:00 AM

Registrations for 5 days a week means you are committing to have care Monday-Friday for each week you register throughout the summer. Registration for every week is not required (i.e vacation or other programs).

### Option 2: Part Time Care

Registration for Members and General Public begins on  
Monday, February 20, 2023 at 6:00 AM

To receive member rates and priority registration (January 9-22), your child must be a member at the time of registration and maintain an active membership until the end of summer enrollments. Lapse of membership at any time between priority registration and summer programs will result in being charged general public rates.

## FINANCIAL ASSISTANCE

At the Y, we believe in providing membership and program services to all who desire to participate in the Y, regardless of ability to pay. We are asking those in need of assistance to make an appointment prior to your scheduled camp. If you have a child who would like to participate, but needs assistance, please contact Member Services at your Y location.

W2 state and county funding is accepted at some camps. Please call or email the camp contact for additional information.

## ADMISSION POLICY/SPECIAL NEEDS

Y Summer Camp Programs are open to children of all abilities. Parents have a duty to disclose significant medical, physical or behavioral needs at the time of enrollment. Due to the large group format of our Summer Camps, the Y is unable to provide one-on-one care. If your child has unique needs that require a more specific type of accommodation, a meeting must be scheduled with the Camp Director a minimum of 2 weeks prior to attending the program. This allows us to identify the most effective ways of serving you and your child. Children are still expected to maintain the standards for the Summer Camp Program to the best of their ability. Any disciplinary actions that would be required would take their ability into account.

# DAY CAMP & SUMMER SCHOOL AGE PROGRAMS

**What is a Day Camp or Summer School Age Camp?** These camps are a fun-filled, action packed summer-long program. Participants will learn new skills and make new friends in a safe and fun environment. The Y's core values of Caring, Honesty, Respect and Responsibility are encouraged in all our activities. Children spend time outdoors, practicing social and decision-making skills that are new to them while being inspired by the Y camp counselors. Our camps are filled with a range of activities sure to engage your child and provide them with a meaningful experience. Examples of activities include, swimming, field trips, arts and crafts, sports and more! Each camp requires a specific t-shirt for field trips. Shirts can be purchased for \$10 at the time of registration.

**Day Camps & Summer School Age Programs are licensed and Youngstar rated.**

**Please note: There will be no camp on Tuesday, July 4.**

## POLICIES & RATES

For Day Camp and Summer School Age Programs a \$25 non-refundable registration fee is required per child.\* Wait list may be established based on enrollment.

\*If you are registering for more than one camp, you will initially be charged the \$25 registration fee per program. After the first \$25 registration fee is charged, any additional registration fees will be credited to the next camp payment.

## DAY CAMP, SUMMER SCHOOL AGE, AND TEEN CAMP RATES

DAY CAMP AND SUMMER SCHOOL AGE FEES		
	Y Member	General Public
<b>Option 1: Full-Time 5 Day Per Week</b>	\$195	\$265
<b>Option 2: Part-Time Daily Rate*</b>	\$42	\$56

\*2 days per week per site minimum schedule required. Children may not attend more than 1 site in the same week.

Please see page 5 for new online registration procedures and dates for each option.

## HALF-DAY CONSIDERATIONS\*

Half days are ONLY available at certain camps if your child is in summer school. A half day is considered 5 hours or less and is not available on field trip days. If camp provides care before and after summer school it will be considered a full camp day. Those who attend more than 5 hours will be charged the full day rate.

## DAY CAMP/SCHOOL AGE PAYMENT POLICY

Payments are deducted automatically from a checking/savings account or credit/debit card. Payments are deducted on the Friday prior to the week of care. Please note, your reservation is not secured until payment information is complete.

## DAY CAMP/SCHOOL AGE CANCELLATION POLICY

Cancellations for all contracted days before or on April 17 are accepted without penalty. Contracted days after April 17 are charged in full unless a cancel notification is given and accepted per policy.

If you registered for full-time, 5 days a week care, you can cancel your entire week but will not be able to cancel individual days. An example, if you register for full-time, 5 days a week you will not be able to cancel just Tuesday and Thursday of that week. After canceling a full week, you may register for individual days if they are available at your camp.

## CANCELLATION - REMAINDER OF SUMMER

Cancellations for the full or remainder of contracted days/weeks received after April 17 require a two-week written notification by email. Full charges for **your next two weeks of care** will incur during this time. No cancel fee applies for canceling all remaining contracted days/weeks. An Example: You cancel all your contracted days/weeks on April 20. You will be charged the full amount of your contracted days/weeks for the first 2 weeks of camp you are registered for.

## CANCELLATION - PARTIAL CANCELLATION

Cancellations for one or more contracted days/weeks received after April 17 require a two-week written notification by email. A \$10 cancellation fee is charged per request for each week affected, per child. Any time a contracted day is removed from your schedule (including switching of days) the cancel fee applies. An example: You have 2 children you wish to cancel for full-time, 5 days a week care in week 6 and you have given ample notice. Since it is only affecting 1 week, this change will cost \$20 (\$10 per child) in cancellation fees. Strictly adding of days/weeks can be completed online and will be accepted based on availability and are not subject to any additional fee beyond the daily rate.

Campers, get ready for some classic outdoor fun! Parents will be jealous that their kids get to enjoy some of their childhood favorites such as kickball, lightning, capture the flag and more!

#### **Around the Y**

Discover everything the YMCA has to offer this week. This camp will take campers around the YMCA and give them the opportunity to go swimming in our pools, experience unique YMCA classes, play games in the gym, and more!

#### **Survivor**

Campers' physical and mental abilities will be challenged as they work together with their team in daily competitions. Various activities may include races, food challenges, obstacle courses, puzzles, and more. Teamwork and communication will be key!

#### **Y-Lympics**

Campers will be assigned a country and have the option to compete in fun Y-Lympic events. Team togetherness and participation is essential! Some events involve skill and energy, while others involve problem solving and creativity. On Friday, a closing ceremony will be held and one country will take home the gold!

#### **\*REA Camp (Recreation, Environment, Adventure)**

Campers will have the opportunity to discover new hobbies and interests while exploring the outdoors, competing in recreational activities (like survivor), playing board games, doing arts and crafts, and creating lifelong memories!
