SWIM TEAM Staff Contact

APY – John Thiel Head Swim Coach P 954.7615
E johnthiel@ymcafoxcities.org

The YMCA of the Fox Cities offers a year-round competitive swimming program for all ages and abilities ranging from new swimmers to national level athletes. Our focus is on developing character traits within our athletes and a culture within our team that promotes enjoyment of the sport of swimming, building of healthy relationships among teammates, and a desire for personal growth. Practice opportunities are offered between 4-6 days per week depending on the swimmer's age and ability.*Registration, team information, practices times and locations, please check our website at www.fcyst.org

SWIM TEAM TRIAL - Thank you for your interest in joining our Team! Swimmers may try the team at the start of each season without obligation. We offer a two-week trial with all our new and interested swimmers in September and a one-week trial with all our new and interested swimmers in April. We also offer trial opportunities to individuals throughout the year.

SWIM TEAM TRIAL REQUIREMENTS: Each athlete must be able to safely perform a 25 freestyle and a 25 backstroke without stopping to continue with the trial. It will be the deck coaches' discretion as to whether each athlete is able to safely continue the practice. The ability to do a standing dive is highly encouraged, but not required. For safety reasons, our age **minimum is 6 years old**. We recommend that children work through the swimming lessons at the Y until they are

ready to give Competitive Swimming a try. Please contact the swim team office at 920.954.7627 with any questions or visit our website at www.fcyst.org.

Team 1: New Swimmers who have been on the team less than 1 year and or need to focus on basic skill and fitness development. This group is considered an introduction to how our team operates and the competitive strokes. Once swimmers know the basics and can demonstrate the ability to practice and participate as part of a team, we will move them up.

- Group scheduled at a combination of locations. Group scheduled 2-4 times a week with 40-60 minute sessions.

Team 2: Swimmers who have demonstrated the ability to practice and participate as part of a team and who have gained the appropriate basic skills. This group is used as a way to help athletes advance their understanding and utilization of technique and skill. This group also focuses on learning to swim longer intervals and appropriate ways to face new challenges. This group is appropriate for athletes in all grades based on their ability.

-Group scheduled at a combination of locations. Group scheduled 4-5 times a week with 40-60 minute sessions.

Team 3: Swimmers who have demonstrated the ability to train for longer intervals and sets and are still working on advanced strategies for training. This group focuses on preparing swimmers to race at their desired skill level. There is no practice commitment requirement for this group.

-Swimmers would need to be in at least Grade 6 to practice in this group.

-Group scheduled at a combination of locations. Group scheduled 5-6 days a week with 75-120 minute sessions.
