### Staff Contact – Chloe Balwinski 920. 8830.5732

The YMCA of the Fox Cities offers a year-round competitive swimming program for all ages and abilities ranging from new swimmers to national level athletes. Our focus is on developing character traits within our athletes and a culture within our team that promotes enjoyment of the sport of swimming, building of healthy relationships among teammates, and a desire for personal growth. Practice opportunities are offered between 4-6 days per week depending on the swimmer's age and ability.\*Registration, team information, practices times and locations, please check our website at [www.fcyst.org](http://www.fcyst.org)

**SWIM TEAM TRIAL** - Thank you for your interest in joining our Team! Swimmers may try the team at the start of each season without obligation. We offer a two-week trial with all our new and interested swimmers in September and a one-week trial with all our new and interested swimmers in April. We also offer trial opportunities to individuals throughout the year.

**SWIM TEAM TRIAL REQUIREMENTS:** Each athlete must be able to safely perform a 25 freestyle and a 25 backstroke without stopping to continue with the trial. It will be the deck coaches' discretion as to whether each athlete is able to safely continue the practice. The ability to do a standing dive is highly encouraged, but not required. For safety reasons, our age **minimum is 6 years old**. We recommend that children work through the swimming lessons at the Y until they are ready to give Competitive Swimming a try. Please contact the swim team office at 920.954.7627 with any questions or visit our website at [www.fcyst.org](http://www.fcyst.org).
