## TEEN PROGRAM

### YOUTH and GOVERNMENT (GRADES 7-12) (APY)

Now is the time to make your voice be heard! Wouldn't it be great if you could make or change the rules regarding the government? The Youth and Government (YG) program takes a hands-on approach involving students in the legislative, executive, and judicial branches of government. This includes media which gives students experience in sharing political news in a variety of social-media outlets. YG encourages life-long responsible citizenship through the study of public issues, debate on public policy, writing legislation, debating court cases, and reporting on political news. If you enjoy debating, writing or want to learn more about how bills become laws, then Youth in Government is the place for you!

**Registration will open Fall 2, October 20, 2025.**
