Showcasing Your Support

Digital Banner Recognition Program

Our Y facilities are active with youth, adults, and families daily, providing an ideal setting to express gratitude to our supporters. With over 52,000 members and 5,800 check-ins at our six branches each day, your donation will receive ongoing recognition on digital banners placed in high-traffic areas. These digital banners recognize generous contributions in various categories:

\$1,000

A digital banner displayed at one branch of your choice

\$2,500

A digital banner displayed at three branches of your choice

\$5,000

A digital banner displayed at all six branches
