### WINTER 2 PROGRAM SESSION:

**February 23 – April 12, 2026**

#### **WONDERBUG DISCOVERIES (AGES 18 MONTHS- 3 YEARS WITH PARENT) (ACY)**

This parent-child nature discovery program is highly sensory-based involving themed storybooks, songs, hands-on time, and outdoor time with exploratory walks through the Purdy Nature Preserve. Each week will focus on a different theme or topic in nature. A portion of each class will be held outdoors, weather permitting, so dress accordingly!

#### **ECO-KIDS (AGES 3-5 YEARS) (ACY)**

Explore the outdoors and watch the changes throughout the seasons while we learn more about nature and ourselves. This class helps children tie the Y's core values of Caring, Honesty, Respect and Responsibility to themselves, nature, and their community. Short hikes and playtime outside will be supplemented with craft and story time indoors. Have your child dressed for the weather as we will be outdoors every week, weather permitting!

#### **OUTRAGEOUS OUTDOORS (AGES 3-5 YEARS) (ACY)**

This exciting class gives your child a chance to learn all about the beauty and wonder of the natural world through hands-on activities, games, stories and crafts related to the nature theme of the week, as well as time outdoors exploring nature. Have your child dressed for the weather as much of this class will be held outdoors, weather permitting.

#### **FIELD STUDIES AND PHENOLOGY (AGES 3-16 YEARS) (ACY)**

Based off the Wild Wonder Foundation, this nature journaling class for all ages places its focus on different over-arching themes to consider the core writing prompts of "I Notice, I Wonder, and It Reminds Me Of." Each class will consist of an introduction to the theme, outdoor exploration time, and journaling. Class will be offered Tuesdays and Thursdays in a workshop style.

#### **JUST PLAY OUTSIDE (AGES 5-10 YEARS) (ACY)**

This is an opportunity for your child to come to the Y and go outside and play. Students will arrive after school to play games, explore the preserve, play in the snow or on the playground, and just have fun!

### **OUTDOOR EXPLORERS CLUB (AGES 5-10 YEARS) (ACY)**

Let the Environmental Education team at the Apple Creek YMCA turn your off-day from school into a full day of exploration and activities related to the outdoors. Join us for hikes, playing in the woods, creative free time, and more! Pack a nut-free lunch, snacks and appropriate clothing for indoors and outdoors in a backpack and join us for a fun-filled day! Additional information will be sent by email after registration has been completed.

### **LIVE ANIMAL CARE (AGES 6-12 YEARS) (ACY)**

Drop your child off on the second Saturday of each month in the Nature Study Classroom to learn how we care for our classroom animals, including snakes, lizards, turtles, frogs, and fish. Help feed the animals, clean their tanks, and make sure they are living healthy lives. We will occasionally bring our lessons outdoors, so please dress accordingly.

### **SCHOOL PROGRAMMING**

The Apple Creek YMCA and Bruce B. Purdy Nature Preserve are accepting field trip registrations for the 2025-26 school year for grades K-12. Local schools may book trips on several different topics related to plants, animals, forestry, pond study, life cycles and much more. Programs will be tailored to each

school's curriculum needs and will be led by YMCA naturalists. Call 920.841.8166 or email the Environmental Education Director at [rimp@ymcafoxcities.org](mailto:rimp@ymcafoxcities.org) for a complete list of programming options.

### **LEADERS FOR GIRL, BOY AND CUB SCOUTS OR OTHER YOUTH GROUPS**

Scouts of all ages may schedule time with a YMCA Naturalist to fulfill requirements for outdoor related try-its, achievements or badges they are working on. Cost for a 60-90 minute session is \$3.50/child with a minimum of 10 youth attending. There is no fee for leaders and adult chaperones to attend. Programs can be held at your normal meeting location or at the Apple Creek YMCA.

### **BECOME A NATURE PRESERVE VOLUNTEER**

Volunteers are needed for many outdoor related tasks such as mowing, tree trimming, trail maintenance and more. Call 920.841.8166 for more details on how you can help shape the Bruce B. Purdy Nature Preserve.
