How do I register? Online through the YMCA of the Fox Cities program registration website. If you do not have an online account please set one up at

<https://operations.daxko.com/Online/Membership/myaccount.aspx?cid=5099>.

Before Registration Opens:

Children who have not participated in a state licensed YMCA program must fill out the Child Profile as a part of registration. As the Profile contains information required by state licensing, it is lengthy, and therefore we recommend you complete it in advance of registration. For children who have participated state licensed YMCA programming the information already entered into the Profile has been saved but you must review and update it before you can register.

- You will need your child's immunization records, physician contact information and emergency contact information as this information must be entered into the Profile. At the time the Profile is filled out all questions are not required, however, at the time of registration, **ALL QUESTIONS** will be required. **You will not be able to register until all questions are complete.**
- We highly recommend you complete/update the Profile prior to registration day so you can register immediately at 6:00 AM.
- Completing the entire Profile will take between 20 and 25 minutes. Updating/Reviewing the Profile will take about 10 minutes.
- The system may time out if you take a break from entering information. To avoid this, click save changes at the bottom of the Profile frequently ensuring anything you have entered is saved.
- The Profile can be updated at any time so as information changes you can edit the Profile. (Please note that information entered into the Profile does not update Membership Information.)
- The information is stored for future registrations.
