HOW TO REGISTER FOR SCHOOL AGE

How do I register? Online through the YMCA of the Fox Cities program registration website. If you do not have an online account please set one up at

<https://operations.daxko.com/Online/Membership/myaccount.aspx?cid=5099>.

Before Registration Opens:

Children who have not participated in a state licensed YMCA program must fill out the Child Profile as a part of registration. As the Profile contains information required by state licensing, it is lengthy, and therefore we recommend you complete it in advance of registration. For children who have participated state licensed YMCA programming the information already entered into the Profile has been saved but you must review and update it before you can register.

- You will need your child's immunization records, physician contact information and emergency contact information as this information must be entered into the Profile.
