## TEEN PROGRAM

### YOUTH IN GOVERNMENT (GRADES 7-12) (APY)

Now is the time to make your voice heard! Have you ever wanted to help make—or change—the rules that shape our government?

Youth in Government (YIG) is a hands-on program that empowers delegates to step directly into the legislative, executive and judicial branches of government. Delegates don't just learn how government works, they experience it by writing legislation, debating public policy, arguing court cases and making real decisions.

YIG also offers opportunities in media, where delegates gain experience reporting on political news and sharing stories across a variety of social media platforms.

Through meaningful discussion, debate, and collaboration, Youth in Government encourages lifelong, responsible citizenship while building skills in public speaking, critical thinking, writing and leadership.

If you enjoy debating, writing, sharing news or want to learn how a bill becomes a law, Youth in Government is the place for you!
